

PACIFIC HISTORIC PARKS

★ Remember ★ Honor ★ Understand ★

We are honored by the many supporters who have joined us in our mission and represent Pacific Historic Parks around the world; together we are committed to preserving history. Your support will further our mission of preserving the stories of Pearl Harbor, WWII in the Pacific and Kalaupapa. In partnership with our Members, Pacific Historic Parks supports the interpretation and visitor service activities of the National Park Service, at four National Park sites throughout the Pacific, benefitting millions of park visitors and over 30,000 students annually.

At Pearl Harbor your Membership supports the interpretation of the events that took place during WWII in the Pacific; provides funding for the preservation of artifacts related to the history of Pearl Harbor; fund education outreach programs for our visitors, students and educators.

In Kalaupapa your Membership support the preservation and protection of significant sites including renovation and maintenance of St. Damien's own St. Philomena Church.

Your Membership designated to Saipan supports and funds educational programs, museum displays and exhibits in honor of the American and Marianas people who gave their lives during the Marianas Campaign of WWII.

Your support in Guam funds educational and interpretive programs at the T. Stell Newman Visitor Center, commemorating the sacrifice and bravery of those who fought in the battles of the Pacific War Campaign.

Members of Pacific Historic Parks have the opportunity to honor a Veteran, past or present, for their service to our country. The Memorial Registry is displayed on interactive kiosks at the Pearl Harbor Visitor Center and on our website, www.pacifichistoricparks.org.
