

Gene Caliwag Named President and CEO at Pacific Historic Parks

HONOLULU (November 18, 2013)—Gene Caliwag has been selected as President and Chief Executive Officer of Pacific Historic Parks (PHP) effective November 18.

In his role as President, Caliwag will be responsible for all PHP operations on Oahu, Molokai, Guam and Saipan.

“We are very excited to have Gene join our team,” said Neil Sheehan, PHP Board Chairman. “He brings a wide range of proven management and leadership skills and experience, and a personal commitment to our mission at the four historic parks we currently support.”

Over the years, he has demonstrated knowledge and expertise in supply chain management, operations, sales and customer service; and he has succeeded in building partnerships, growing business and increasing profitability.

“The skill set he brings will be most important and we continue to enhance the visitor experience at Pearl Harbor, Kalaupapa, Guam and Saipan historic parks we now serve,” said Sheehan.

Most recently, Caliwag served as Director of Operations at HOPACO/Officemax, Inc. for Hawaii. Previously, he held senior management positions at Young’s Market Company, Hawaii Pacific Health and Cardinal Health.

The son of a U.S. Navy retired Chief Petty Officer, Caliwag has lived in many parts of the Pacific including the Philippines, Japan, Okinawa and Guam. A resident of Mililani on Oahu, he is married to the former Melissa Ranin and they have two children—Lauren and Brandon. He serves on the board of Big Brothers Big Sisters Hawaii.

About Pacific Historic Parks

Founded in 1979, Pacific Historic Parks is a non-profit cooperating association of the National Park Service. PHP supports and funds educational and interpretive programs for WWII Valor in the Pacific National Monument at Pearl Harbor; American Memorial Park on Saipan; War in the Pacific National Historical Park on Guam; and Kalaupapa National Historical Park on the island of Molokai.
