USS *Arizona* Memorial program pause continues

HONOLULU –Regrettably, USS Arizona Memorial programs remain discontinued until after the first of the year. Navy Facilities (NAVFAC) is reassessing and making necessary shoreside loading dock repairs. Until this work is completed, USS *Arizona* Memorial tours cannot be safely conducted. We are looking forward to repairs and program resumption in the new year.

Guests are welcome to visit the Pearl Harbor Visitor Center grounds, museums, and park film (on the open-air lanai) without a reservation. Masks are required regardless of vaccination status, and the park’s no bag policy is still in effect.

All are welcome to participate in the Pacific Historic Parks Audio Tour, VR Center, and visit The Pacific Fleet Submarine Museum, Pearl Harbor Aviation Museum, and the Battleship Missouri Memorial.

Pearl Harbor National Memorial and the visitor center will be closed on December 25, reopening at 7 a.m. on December 26 and closed again on January 1, reopening at 7 a.m. on January 2.
